

# CONNECT CHARTER SCHOOL SOCIETY

**Policy Title:      Role of the Principal**

**Policy No. 4.02**

**RATIONALE:**    The Board recognizes the importance of leadership from the principal in the successful operation of the school.

**POLICY:**    The principal is responsible for overseeing all aspects of the school operation in accordance with regulations in the Education Act, other statutory requirements, the Connect Charter School charter and Board policy, as well as to provide educational leadership consistent with the Alberta Education School Leadership Competencies document.

**PRINCIPLES:**

1. The principal is directly responsible to the Superintendent of the school for the implementation of the school program, for fostering conditions that will maximize learning, for the efficient use of physical and financial resources, and for the effective performance of personnel.
2. The principal will collaborate with the assistant principals as members of the administrative team to carefully manage the school, its resources and personnel.
3. The principal is responsible for assuring that the teachers adhere to the Teaching Quality Standard and requirements as outlined in the Education Act, other statutory requirements and the charter mandate.
4. The principal will build on the strengths of the institution and seek constantly to improve its educational climate.
5. Wherever possible decisions affecting the school should be made in consultation with appropriate staff and the school community in an effort to reach a consensus. In circumstances where consensus is not possible, decision-making authority is assigned to the principal.
6. Inherent in the position of principal is the delegation of duties and roles to assistant principals and other staff members in accordance with their areas of interest and expertise. Nevertheless, the principal assumes overall responsibility for their actions and roles.
